Estimated Completion Date

Next Update Date

Description

Boeing is in the process of harmonizing the Electrical Load Analysis (ELA) across production models. The commonality will improve user efficiency and reduce the possibility of error.

ELA format will be harmonized for future delivery ELA's for 737NG, 737MAX, 777 and 787.

Status

The common ELA format is in use at Boeing for airplanes currently on the production line.

Interim Action

Review Attachments of model ELA change descriptions

Final Action

Service Letters will be released for each model with ELA change.

Milestones

Service Letters 737-SL-24-218, 777-SL-24-070 and 787-SL-24-033 are forecasted to be released by November 2017.

The new harmonized ELA format will be fielded as follows:

737MAX Line Position 6681,*,6722 and subsequent

737NG Line Position 6710,*,6718 and subsequent

777: Line Position 1531*

787: Line Position 614,617,619,621 and subsequent
